

WOMEN'S STORY FESTIVAL SPONSORSHIP

Born to Rise™ is a women's empowerment movement that encourages women to tell and listen to personal stories so we can develop greater compassion and empathy for one another and create deeper and more connected conversations. Telling her story helps a woman release shame, guilt and sometimes trauma, and the listener is given permission to explore her own stories; the stories that often keep her stuck, unhappy and disconnected. We are an inclusive community for those who are women, identify as women and support women. Our festival will host up to 200 guests and include story tellers, performers, artists, authors and vendors.

Your sponsorship allows us to create a memorable and empowering experience for attendees as well as continue this work throughout the year within the community. We host many story telling events and workshops and plan to expand into other communities and schools. We thank you in advance and as a women owned, founded or managed business, we are honored you are part of our community here at Born to Rise.™
